The Bureau of Engraving and Printing will exhibit at the 35th Semi-Annual Bay State Coin Club Show, February 26-28, 1999, at the Radisson Hotel, 200 Stuart Street, Boston, Massachusetts.

BAY STATE SOUVENIR CARD

The 1999 souvenir card theme "Celebrating the turn of the Century" represents United States silver certificates issued after 1891.

The back of this \$2 Silver Certificate, Miscellaneous Die #3755, was completed in September 1891. Engravers include David M. Cooper, W.H. Dougal, George U. Rose, Jr., Edward M. Hall, and Edward E. Myers.

There were 20,988,000 \$2 Silver Certificates (Series 1891) printed.

The face of this note was featured on the souvenir card released in January 1999 commemorating the Bureau of Engraving and Printing's participation at the Florida United Numismatists (FUN) Show in Orlando, Florida.

EXHIBITS

Bureau's activities at the Bay State Coin Club Show will include a display of the Billion Dollar Exhibit composed of sheets of currency no longer printed or issued, such as Treasury bonds and gold and silver certificates. The Bureau of Engraving and Printing's
1999 Savings Bond Card Will Go on Sale August 9

On August 9 the Bureau of Engraving and Printing's (BEP) 1999 Savings Bond Card will go on sale to the public. It will remain on sale through June 2000. **This card is not part of the 1999 Souvenir Subscription Service.** It was created as part of the Savings Bond program as an incentive for BEP employees.

SOUVENIR CARD

Surrounding a vignette of the southwest side of the Bureau of Engraving and Printing's Main Building is a collage of logos representing management, research, technology, security, administration and union. Below the vignette is a title in white face roman with a ruled shadow. Behind the title you will see a ruled background. The title and ruled background are the base and form an ornamental panel. These images are printed over a gold tint with a red and blue stripe across the lower half which seem to jet out from both sides of the panel. There are golden rays exploding in an outward direction from the vignette giving the appearance of a crest of gold. The Bureau of Engraving and Printing's Main Building, occupied in 1914, is still in use today. The vignette of this building, Miscellaneous die #16516, was engraved in 1950 by Herbert F. Fichter.

PURCHASING INSTRUCTIONS

A mail order form is included. The Savings Bond Souvenir Card #49114 is not included in standard subscription orders. You may order the card two weeks before the first day of sale.
